

PRO **BBQ** **Q** LTD

Innovative BBQ Smokers

Introducing a new alternative to your regular Braai.

The Pro Q is a multi-functional cooking unit.
The Excel 20 or Frontier Units offer you various options of convenient cooking,

Smoke, Roast, Grill or BBQ your food!

Award Winning innovation makes the ProQ BBQ Smokers a must have for any household that enjoys a good braai. Easy to use with a comprehensive starter manual filled with tips and cooking guides. There is also a great online following where recipes and suggestions from around the world can be found.

No other brand has as many features to offer, made from 1mm thick steel it's built to last and that's why BBQ teams around the world choose the Frontier & Excel 20.

Choose your cooking capacity by adding or removing the stackers...

PQ1001: Pro-Q Frontier

The Frontier is our best selling BBQ, designed with all the same features as the top of the range Excel 20 , just slightly smaller in diameter.
